The Three Ways We Can Inspire Your Amazing Volunteers!

We can deliver our inspirational presentations to your volunteers – **in-person**, virtually on-line or through **pre-recorded** presentations.

In-Person Presentations

When you can bring your volunteers together for a volunteer appreciation event, we can present an amazing, engaging, and entertaining visual inspiring presentation!

Virtual Presentations

Perfect for when you can't get your volunteers together for reasons such as poor weather / driving conditions ...or for the fact that they serve across a large area and it's not convenient or practical for them to travel, then virtual presentations ARE the SOLUTION.

Through online conferencing platforms such as **ZOOM** or Google Meet or SKYPE...etc. we can deliver the same in-person presentations live and when you want it, and they enjoy them from the comfort and safety of their homes.

Pre-Recorded Presentations

A popular option involves the recording of a presentation in advance. We'd send you a link that could be impeded in an email or your website. Again, volunteers can then view the presentation at their leisure.

Our Fees

We provide special low rates for volunteer appreciation events...

The fees for in-person presentations...

- 150.00 - 250.00 for a 45-minute webinar presentation
- Fee range is based on group size

Fees for a live virtual presentation...

- 250.00 for a 30-minute virtual presentation

All fees subject to the HST

Mileage Policy

For in person presentations...

Effective **Jan 1st, 2024**, the rate for travel will be 0.60 / km.

This travel rate will be in effect subject to change and periodic review.

Clients may be expected to arrange travel and accommodations for some engagements.

In-Person Booking Information

We recommend that you book or reserve your preferred date(s) as far in advance as possible even before you have selected and finalized a topic(s). We do **NOT** require a deposit, nor do we insist on the signing of a contract. We do ask if you need to cancel an engagement to contact us as soon as possible. We will make every attempt to carefully watch for weather or travel issues and will advise accordingly with the client as the best course of action. Generally speaking, if the weather is undesirable or unadvisable for travel, then it could be the same for those attending your event and rescheduling might be the best and safest strategy for all concerned.
